

### Wonderful World

We have now past the half way stage of the academic year! This term we will be finding out about different parts of the world through books. The first is called 'The Leopards Drum'. During week 2 we will share Rumble in the Jungle (Africa), then What Made Tiddalik Laugh (Australia), The Great Explorer (North Pole) moving onto Monkey See, Monkey Do (India), and finishing with The Naughty Bus (London). If you have a world map or an atlas at home, it's time to get it out! At the end of this first week the children will experience an African drumming session to round off our African experience.

In March we have our final parent's evenings of the year (dates and times below). However, if you have any queries about your child's learning you can come and speak to one of the class adults after school most days. The end of academic year expectations are high so, if you would like more information regarding these please ask, we will be happy to help. Thank you. Mr Foster, Mrs Bell, Mrs Healey and Mrs Del Nero.
