

Maths

Emphasis on

- Fractions and Division.
- Multiplication.
- Place Value.
- Addition & subtraction.
- *Problem Solving* throughout Maths.
- Maths passport targets.

English

This term we will be reading the story of *Zeraffa Giraffa*. This week we have been exploring the story setting of the African plains. Later in the unit we will be writing to persuade and debate and to write a lullaby for the Zeraffa the giraffe.

Wild Africa

Computing

The children will be using Scratch Junior to complete coding projects. They will use Book Creator to write, and edit text, use the draw tool and add sound bites.

Religious Education

This term the children will be learning about the Easter story and Holy Week through their senses. They will be retelling events and asking questions about heaven and new life.

PSHE

Children will learn about community values and be encouraged to develop a sense of belonging.

Geography

We will be learning about where in the world Africa is and looking at similarities and differences between Africa and the UK, whilst developing our map skills and locational awareness.

Music

We will be learning various Zulu songs, taking part in an African drumming workshop and learning about pulse and beat in music.

DT

During creative week at the end of term, we will be designing, making and evaluating African printing and clothing.

P.E.

We will be focussing on dance for the SWR dance festival at the end of term. We are learning an African themed dance for you to enjoy!
