

Maths

Emphasis on

- Money / Time
- Measuring length, weight and capacity
- Addition & subtraction
- Problem Solving throughout Maths
- Maths passport targets

Religious Education

This term the children will be learning about the Easter story through their senses. They will be retelling events, asking questions about heaven and new life.

PSHE

Children will learn about Respect and British values and be encouraged to develop a sense of belonging.

Music

The children will be listening to and experiencing a range of Indian music, including call and echo. They will be taking part in drumming and using Indian musical instruments.

DT

We will be designing, making and evaluating Sikh turbans and Batik.

Wild India

English

We will be reading the story of Monkey see, Monkey Do!
We will be changing the story and using adjectives, adverbs, verbs and nouns. We will be writing reports about wild animals focussing on reports layouts, sentence structure and punctuation.

Computing

The children will be using Scratch Junior to complete coding projects. They will use Book Creator to write, and edit text, use the draw tool and add sound bytes.

Geography

We will be learning about where in the world India is and looking at similarities and differences between India and the UK.

P.E.

We will be focussing on outdoor games with the emphasis being on team work and footwork.
