

Maths This term we will be continuing with multiplication and division, practising skills in x2, x5 and x10 times tables. They will be continuing with addition and subtraction and practising basic skills.

Religious Education

In R.E. our topic is 'Incarnation', we will be learning about how God came to earth as Jesus and digging deeper into the nativity story. Our Christian value this term is Compassion.

PSHE

The children will be looking at celebrating differences and still being friends. This unit also coincides with Anti bullying week in November.

History

We will be looking at how people were able to keep food fresh in the past and how they made food. We will be making our own butter!!

English We shall be starting the term with some non fiction writing about reports. Our focus story this term will be the Elves and the Shoemaker. We will also be learning how to use and write instructions. Spellings and whole class guided reading will continue.

PE

Children will repeat & link combinations of actions, balances & body shapes through gymnastics.

Science

We will be looking at seasonal changes and how weather has an affect on all the seasons. The children will be keeping weather diaries, making rain gauges and observing the changes first hand. Science will be linked to maths.

Computing

In Computing the children will be using a paint programme to learn how to use different tools and produce art work in different styles.

Design and Technology

In DT the children will be designing and sewing their own Christmas stocking using felt and thread.
