

Maths

The children will be exploring multiplication, place value to 100, fractions, time and capacity throughout this term.

English

Children will be continuing to work on their literacy skills, using their phonic knowledge to read and write. We will be writing a story in a comic book style and designing the characters. We will be encouraging correct spelling of irregular words in their writing. This Term there will be a Phonics Screening Check for the Y1 children.

Science

The children will be distinguishing between objects and the materials from which they are made from i.e. wood, glass, plastic and metal. They will also be identifying and labelling parts of the human body.

Religious Education

This term our Christian Value is 'Respect'. We will be talking about what the word means and how you can show it. They will also be sharing special stories from the Bible and those that are special to themselves.

Superheroes

Year 1

DT

The children will use a variety of media and materials in order to design and make a product based on their own ideas and experiences.

Computing

The children will continue working on the Purple Mash website, using their own passwords to log in. The children may add work onto the 'Seesaw' app with some help!

Art

The children will use drawing, painting to share their ideas, experiences and imagination in a comic book style.

PE

The children are now working towards our Sports Day during PE sessions. We will be practicing sprinting within a lane, relay running with a baton, the sack race and throwing with a rocket ball.

PSHE

This term we focus on ourselves through the 'Changing Me' jigsaw piece. We will be talking about the life cycles of animals as well as the human body including how we change, and the differences between boys and girls.
