Superheroes!

Welcome back! We hope you all had a restful break and are ready to start the new and final term of the school year.

Our topic this term is 'Superheroes' and we will be using the stories Traction Man and Man on the Moon to base our English lessons on. The children will be listening carefully to different intonation and expression to show the difference in voice, tone and style.

In Science we will be exploring materials in more detail, particularly liquids and solids. We have already been ordering different materials according to their characteristics and introduced the term "atoms" to the children.

For the next two weeks, the children will be taking part in phonics fortnight. This will include lots of fun games and activities to help reinforce the techniques needed to identify real and nonsense words similar to those in the phonics screening check. The children have enjoyed some of these games and activities already.

Physical Education

Monday afternoons will be an outdoor session. Please ensure you send your child with a complete, **named** P.E. kit and a named drinks bottle.

Guided Reading

This term we will continue with whole class guided reading. We will be looking at a text together on a weekly basis and pulling it apart to identify what particular words mean and what the author wants us to think.

Phonics reading books

If you still have any of the Read, Write, Inc. reading books at home, please could you send them back into school? We are missing some from sets and they are needed in other classes.

Grab a grown up

Grab a grown up sessions this term remain on a Wednesday. We will be showing you some examples of 'Wake and Shake' on the playground, so get ready to burn some energy! Dates are: June 12th and 26th, July 10th.

General Reminders

We have noticed many school jumpers and cardigans no longer have names in them. Please ensure your child's name is clearly identifiable so we can get them back to them with ease at the end of each day.

Please also ensure that your child has a named water bottle in school every day. We encourage the children to drink water regularly throughout the day. This is much more manageable if they have their own bottle.
