

## Maths

We will be working on fractions this term. Concentrating on fractions of amounts and fractions of shapes. Shape, space and measure will continue to be taught by Mrs Pockett on a Monday morning. The main focus this term is capacity.

## English

This term we are studying the stories of Traction Man and Man on the Moon. We will use the stories to investigate storytelling techniques to enable us to retell stories in a fun and engaging way.

## Science

We will look in more detail at classifying materials and whether they are liquids or solids.

## DT

Towards the end of term we will design, plan and build our own superhero toys, thinking carefully about any special features they may have.

## Religious Education

This term the Christian Value we will focus on is 'respect'. We will think about what this means and how we can show it in everyday life. In RE we will learn about the Sacred places for Christians with Mrs Pockett.

# Superheroes!

## Year 1

## PSHE

This term we focus on 'Changing Me'. This will include life cycles of animals and how we also change as we grow.

## Music

To link in with our focus of well being and spirituality, we will listening to relaxing music and identifying the instruments used.

## Computing

The children will work on the Purple Mash website to investigate using direction to travel and algorithms.

## PE

The children will continue to take part in athletics activities, improving stamina, balance, skill and aim. We will also be promoting supporting each other and team spirit ready for sports day!
