

Maths

We will begin the term by learning about fractions through lots of practical activities, looking at both fractions of shapes and numbers. We will also be exploring length and height and position and direction.

English

We will begin the term exploring the story of 'The Black Hat' by Maia Walczak. We will be using prepositional phrases, adverbs and adjectives and learning the process of editing. After that we will learn about report writing.

PSHE

We will be exploring 'Healthy me.' We will be discussing what keeps us healthy and will make healthy snacks.

Computing / Music

We will be using different computer programs to create, select and combine sounds. We will be learning to sing lots of different songs linked to minibeasts.

Religious Education

This term our R.E. topic is 'Salvation'. We will be looking at the Easter story and how we as Christians believe that Jesus died to save people from their sins. Jesus died to 'build a bridge' between people and God.

Let's Pull it out of the Hat!

Art

We will be exploring observational drawings and sketching skills using feathers. We will then move on to learning skills in using watercolour pencils to create bird pictures.

PE

During outdoor PE we will be applying the multi-skills we learnt to invasion games. We will explore how to attack and defend and play as part of a team. During indoor PE we will be practising a dance ready to perform at the Dance Festival.

Science

We will be learning all about plants. We will carry out an investigation to see what plants need to grow and we will be finding out about the life cycle of a plant.

Geography

Children will be looking at Kampong Ayer in Brunei and comparing it to where we live. We will be using video clips and pictures to support our learning.
