

Maths

We will be working on place value this term, and reinforcing addition and subtraction skills. This will involve practical activities and problem solving to deepen understanding. We will also be measuring weight, length and height.

English

We will continue to learn and revise using the RWI syllabus. Children are still in groups appropriate to the current levels of achievement working between Sets 2-3 on the scheme. We will be writing more detailed sentences to retell a story of the Blue Penguin. We will be focussing on using the 'ing' suffix at the end of some words.

Science

We will observe changes across the 4 seasons and describe weather associated with the seasons and how day length varies

History

The children will find out about famous explorers what they achieved. We will concentrate on explorers that reached Antarctica.

Religious Education

This term the Christian Value we will focus on is 'Courage'. We will think about what this means and how we can show it in everyday life. In RE we will learn about Islam with Mrs Pockett.

Brrrrr!

Year 1

Computing

The children will work on the Purple Mash website, using their own passwords to log in.

PSHE

This term we focus on 'Dreams and Goals', discussing how to recognise our own achievements, and sharing our goals and aspirations.

Music

We will be singing lots of new songs as we embrace our visit from the IsingPop team. The children will perform these songs in front of an audience at church.

Art & Design

We will investigate techniques to make textured effects and use different materials to produce our own versions of artists work.

PE

The children will be using their bodies to travel in different ways and freeze in poses that take up large amounts of space or small amounts of space. They will learn to do this with fluidity to produce a travelling and posing dance.
