

Maths

In Maths we will be doing a lot of arithmetic practise as well as problem solving and word problems. We will also look at telling the time to the nearest 5 minutes.

English

In English we will be doing a lot of free writing this term, to practise all the wonderful skills we have learnt this year. As always we will be writing stories as well as non-fiction pieces.

PSHE

This term we will be thinking about building good relationships in my family, school and community.

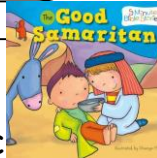

Computing

This term we will be looking at spreadsheets, the children will be learning about how a spreadsheet works and how they can be used to create graphs from data.

Religious Education

This term our R.E. topic is Caring for our World and Others. We will be learning about the Good Samaritan, Jesus healing the paralysed man and Jewish Tikkun Olam. We will be doing lots of good deeds for our community to try and care for our world.

Monster Mayhem

ART

In Art this term we will be designing and making clay monsters from air dried clay. We will finish our monsters with paint.

PE / Swimming

This term the children will be swimming once a week and also be playing outdoor games including playing as part of a team, ball control, aiming and shooting.

Science

We will be learning what humans and animals need to survive. We will be talking about hygiene, how animals have offspring that grow into adults and what we all need to survive.

Music

WOOHOO! This term, as well as singing in RE and general singing, we will be using the drums to write our own monster party music
