

Maths

We will be developing an understanding of number. The children will meet the characters from 'Digit Drive' to reinforce number recognition and formation. We will also experiment with shape and measure during 'free play' and when we make bread.

Literacy

We will start to learn and revise the 'Set 1' sounds from our phonics scheme, blending and segmenting them to read and write words! Together we will enjoy listening to a range of stories and joining in with nursery rhymes. We will be learning the 'Little Red Hen' story with actions! Together we will be learning how to form our cursive letters when we write our names and in phonics!

Religious Education

This term the Christian Value we will focus on is 'Thankfulness'. We will think about what this means and how we can show it everyday and everywhere. We will learn about Harvest through interesting and fun activities.

Expressive Arts and Design

We will explore working with different materials, colours and textures. We will use our imaginations to make models and to paint pictures. We will learn about mixing colours.

Personal, Social, Emotional Development

This term the children will be thinking about their class rules and creating a class charter, discussing why we need these rules. We will all be getting to know each other by playing games and talking about our likes and dislikes. The children will talk about what makes a good friend and think about what makes them happy and sad.

Understanding the World

We will be accessing and learning how to control technology using iPads. We will learn about each other and ask questions to find out more about the people in our class and how to get around our school.

Physical Development

The children will start their 'Balanceability' sessions and develop their fine motor skills through our daily 'Funky Fingers' sessions. In PE lessons the children will develop basic skills such as skipping, jumping, rolling, as they work at different activities.

Communication & Language

We will encourage good listening skills through games and activities. Children will engage in role play in literacy lessons and in their free play. There will be many opportunities for discussions based around our topic. The children will share their 'Special boxes' and tell their friends about their special toys.
