Literacy

We will be continuing to develop our reading and writing skills through RWI each day revisiting Sets 1 and 2. We will be developing our writing skills to write for different purposes and try to include polysyllabic and Red Words. We will also be reading captions and sentences

Communication & Language

The children will be learning how to give clear instructions to complete a task. Retelling stories and rhymes as well as talking about their own experience in group activities.

Religious Education

This Term we are thinking about places that are special to us. What churches look like in different places and what places of worship look like for people with other religious beliefs. We will also visit St Saviour's Church.

Under the Sea

Personal, Social, Emotional Development

We will be investigating staying safe around our homes, road safety, staying safe in the sun and around water. We will also be learning about the Emergency Services.

Understanding the World

Through this topic we will be investigating the habitat under the sea. Answering questions such as 'What lives there and what do they look like?' 'How do they live and what do they eat?' We will research and find answers to these questions using books and ICT. We will continue with our Welly Walks each week.

Expressive Art and Design

We will be getting creative this term using resources to create seascapes using paint, under water creatures such as fish and jelly fish for displays and our role play areas. We will also learn new songs including 'There's a hole at the bottom of the sea', which can be found online.

Physical Development

Children will continue to develop their fine motor skills in free flow activities. As the weather improves we will start to have our PE sessions outside focussing on gross motor skills such as throwing and catching, rolling and kicking.
