

Maths This term we will be concentrating on number formation, recognising numbers 1-20 and simple addition and subtraction. We will also be learning about 3D shapes and measuring capacity, length and weight.

Literacy We will be using the stories 'Stanley's Stick' and 'Yucky Worms'. We will be reading and writing about the stories. The children will work on their letter formation, and be encouraged to begin to use punctuation and capital letters.

Communication & Language The children will continue to practice their speaking and listening skills during circle times and through games. There will be many opportunities for speaking and listening, and to engage in role play.

Religious Education In RE this term we will be thinking about welcoming people and how to be friendly. We will talk about Baptism and hopefully visit the church. We will also be thinking about how we are special.

Understanding The World We will be celebrating Chinese New Year and looking at Chinese Culture. We will be planting seeds and bulbs, and watching them grow. We will label plants and talk about what each part of the plant is for. We will engage in our first block of Forest School sessions, exploring nature.

Personal, Social, Emotional Development We will be talking about 'Dreams and Goals', thinking about persevering when things get tough and having a positive attitude. We will think about our own goals and aspirations.

Expressive Art and Design This term we will be exploring the sounds that different musical instruments make, and listening to a range of musical styles. We will be working with clay, learning how to mould and manipulate it.

Physical Development Children will continue to develop their fine motor skills during our daily Funky Fingers sessions, and gross motor skills during Balanceability. Weekly PE sessions will focus on developing skills on obstacle courses.
