

Maths This term we will be working on our maths passports as understanding how to use money. We will apply this knowledge to real life problems too! As the term progresses we shall revisit multiplication and then link this learning to division calculations.

Religious Education
Our Christian value this term is 'Perseverance'. The focus during our RE lessons will be to look at the different beliefs, stories and celebrations within Judaism.

PSHE
This term we will be thinking about our dreams and goals. We will be considering ways in which we can stay positive, focussed and motivated, even when tasks may be tough. We will also be thinking about how we can achieve our goals.

English

A little bit of poetry will kick the term off. We shall then move onto our book of the term, 'Grandad's Island' by Benji Davies. Our focus will be 'Land Ahoy!'...we will be going on a literacy adventure and thinking carefully about how pictures and language can really bring a story to life!

PE

Science

Land Ahoy

Geography
We will be focusing on geographical physical and human features as well as learning the points of a compass to tie in with our theme of 'Land Ahoy!'.

Art
We will be using sketching skills to create designs of an island which we will then use to create 3D sculptures. Our focus will be lines, shape and form.
