

## Maths

This term we will begin by looking at data collection. As the term progresses we will be continuing with number strategies.

## Religious Education

This Term's Christian Value is Justice.

## Fairtrade Fortnight

The children will learn where chocolate comes from.

## PSHE

Our topic focus in our jigsaw curriculum is Healthy Me!  
We will be thinking about how to keep our minds and bodies healthy.

## English

This term we will focus our learning on the wishing tale - Grendel: A Cautionary Tale about Chocolate. We shall be sharing Michael Rosen poetry, learning how to use different punctuation and continuing to learn new spelling rules.

## Design and Technology

This term we are going to be designing our own chocolate bars! We will be thinking about the process of designing, making and evaluating a product to a specification.

# CHOCOLATE

# Y2

## Science

We will be carrying out lots of different science investigations during science week using our observational skills.

## PE

The children will be dancing through the topic of Chocolate and performing their dance at the Dance Festival at SWR later in the term. They will also be working on their core strength.
