

Green Fingers!

Spring is around the corner, watch out for giants!!

We hope you had a good half term and are looking forward to the lighter evenings and hopefully warmer weather.

Our new topic is science based and we will be learning about growing plants, seed dispersal and identifying trees.

You may have heard that we received a package of magic beans last week and have planted them and we are waiting for the giant beanstalks to sprout! If you are green fingered and would like to come in and share your knowledge with the children please let us know.

In English we will be using the Talk for Writing technique and learning the story of Jack and the Beanstalk and adapting it to make our own stories.

In History we will be learning about changes within living memory and we are starting off with a living toy museum which we hope lots of you will be able to attend. If you or grandparents have anything else you would like to share with the class please let us know.

If you have any questions or worries please pop in and see us after school, our door is always open.

& MRS SPENCER

Routines

Physical Education

Indoor P.E. lessons will be on Friday mornings.

Grab-a- Grown Up

Every other Tuesday

We would love for you to come into the class with your child and they will proudly show you their learning. Please bring your child into class through their normal entrance.

Water Bottles & Coats

Children need to ensure they have a water bottle & coat in school every day. We aim to get the children out in the fresh air as often as possible but want the children to stay warm and dry.

Named clothing

Please ensure ALL your child's clothing is named, in particular their sweatshirts and cardigans as these are easily misplaced in school but can be easily returned if named.

Den Books

Monday is our library time. Children will be able to choose a new book each week if they return their book from the previous week. Please ensure that Den books are in the children's book bag on a Monday.
