

## Toot! Toot! Bang!

### The most wonderful time of the year!

We hope you had a lovely holiday with lots of crunchy leaf walks. This term our topic is called "Bang! Bang! Toot!". We will be learning about lots of things that go bang! We will be making our own instruments in Design Technology and we will be learning about the Gunpowder Plot in History. This week we have been writing shape poems about fireworks and bonfires too! The story we will be focusing on in English is called "Here comes Frankie" by Tim Hopgood.

This term is always good fun with lots of different things going on, so for any updates, they will be on Classlist.

Indoor P.E. lessons will be on Monday mornings.

### Grab-a- Grown Up

Every other Friday we would love for you to come into the class with your child and they will proudly show you their learning. The first session will be Friday 17<sup>th</sup> November.

### Water Bottles

Children need to ensure they have a water bottle in school every day. These can be kept in the classroom during the day for them to drink from regularly.
