

English

We will be reading the story of 'Here Comes Frankie' by Tim Hopgood.

We will be exploring the picture book in great detail including looking at

illustrations, word choices and

characters. We will be combining

elements of Art and Music within our writing and finally creating our own picture book.

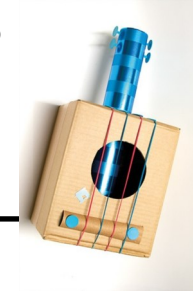

PSHE

We will be learning about 'Celebrating difference.'

We will find out how we are similar and different to our friends, how to make new friends and thinking about how to deal with bullying.

Design and Technology

We will be designing and making a new instrument. When we have finished, we will evaluate our instrument and have fun playing them together in a band.

Foot, foot, bang!

Maths

We will be learning about the place value of numbers and continuing to develop our number skills.

Also, we will be exploring 3D shapes and finding out about their properties.

Religious Education

We will be learning about

Advent and why Christians celebrate Christmas. We will be finding out all about the story of Jesus' birth.

Science

We will be learning to name and identify different materials. We will also be identifying the properties of materials and sorting and grouping them according to these. As well as this, we will be investigating which materials are best at muffling sound.

History

We will be finding out about why we celebrate Bonfire night. We will be learning all about Guy Fawkes and the Gunpowder plot through drama, and investigating and evaluating historical sources.

PE

We will be exploring different movements to quiet and loud noises and creating our own dance based upon 'Here Comes Frankie.'
