

Maths This term we will be working on our maths passports as well as multiplication and division, reading data and measurements using length and mass. We will be looking at applying skills across a range of real life maths problems.

Religious Education

Our Christian value this term is 'Trust'. We will be learning about why Christmas matters to Christians and make links to The Bible and the Gospels.

PSHE We will be learning about celebrating differences; learning to accept that everyone is different and how to include others in work and play. The children will be encouraged to use kind words and how to give and receive compliments.

Science

We will be looking at how sound is made and how we can change the pitch and tone of sounds. We will be using our investigative skills to find out more...!

English We will be starting this term with a look at poetry and how we perform poetry using instruments and song. We will then read 'Here Comes Frankie' by Tim Hopgood, a story about a little boy whose world comes to life when he decides to learn the trumpet.

Toot, Toot, Bang!

PE

Indoor PE will be creating, adapting and linking short sequences based on different things. Outdoor PE will be invasion games.

KS1 Christmas Production

A note will be sent home about costumes in preparation for our Christmas production of 'Lights, Camel, Action!'. Please send in costumes on Monday 4th December in a named bag.
