

YEAR 5/6 HOMEWORK TERM 1

Please hand in on Wednesday 23rd January

This term we will be learning to write biographies. Therefore, we would like you to research and make notes about a person who has **made a difference to the World**.

We would like you to find out about **one** of the following people: **Nelson Mandela, Rosa Parks, Florence Nightingale or Tim Berners-Lee**.

Your research must be **written neatly** in your homework book using bullet points to record the information you have found out in **note form**.

You will need to have read about this person and their achievements and how they have changed the world for the better. Structure your work into paragraphs to help you organise your ideas e.g

1. Early life- when and where they were born, family
2. School days
3. Qualifications
4. Significant events
5. Their legacy - why are they remembered?

You should have enough information to help you write a detailed biography of this person. Please use the internet to find information but **do not** print out pages from the internet to stick in your books because you really need to understand what your chosen person has achieved and how they did it.

It is very important that this homework is completed and handed in on time as you will be using your research in English lessons at school.

Please ask your class teacher for help if you are unsure about what to do.

We are looking forward to learning all about these people!

Mrs Cartledge, Miss Snell and Mr Godfrey
