

### How do we look after our planet?

Welcome back to Term 5. We hope you had an enjoyable Easter break. This term our topic is Space and the World around us. We will be learning about space and the world around us including the planets in our Solar System and the moon landings.

We will be continuing to focus on handwriting and letter formation as we slowly start to build the children's writing stamina ready for Year One.

As always, if you have any worries or just want to ask us a question please send us a message via Tapestry, or the office.

Mrs Boswell, and Mrs Thornbury ☺

#### ***Tapestry***

*Please take the time to have a look at Tapestry regularly throughout the term. We regularly add observations for your child and it is a really good way for you to see what we have been doing at school. This will then spark discussion at home about the children's learning. We love to read your comments on the observations and to see that you have 'liked' them! Also, please add to your child's journal regularly, posting photos and videos of things they do at home!*

### Our Christian Value this term is 'Courage'

#### Routines

##### Physical Development

Focused teaching of PE will be on

Wednesdays. Please check all items are named as they regularly get misplaced.

Please remember to send your child in with a water bottle **and** book bag every day.

Reading books should be in school daily. Please make sure you record in the yellow reading record & hear your child read at home at least 3 times a week 😊
