## **DISCOVERY**

### **WELCOME BACK**

Welcome back to Year 1 & 2!  
We hope that you all had a fun and restful summer break.

**Our topic this term is 'Discovery'.**

We are going to be explorers and discover more about the world we live in by  
looking at the question:

**Why is our world wonderful?**

There will be lots of emphasis on key skills this year such as reading, spelling and maths. Please use the following resources on our website to support your child at home:

*ELS Harder to Read and Spell Words*  
*Common Exception Words for Year 1 and 2*

#### **Spellings**

Weekly spellings will begin week commencing 15<sup>th</sup> of September. Towards the end of the term, we will also introduce Maths Homework.

#### **Reading**

Essential Letters and Sounds (ELS) is our phonics scheme. Year 1 will be completing Phase 5 of the ELS scheme and will continue to bring home a decodable text. Year 2 will now complete the ELS Spelling unit. This will continue to support their phonics knowledge as well as giving them the confidence to apply this to their spelling. To begin with, your child will be bringing home 2 books each week- a decodable (phonics) book and a reading for pleasure book. Once the children have been assessed on Accelerated Reader, this process may change. More information will be provided at this time.

If you have any concerns or just want to ask a question either pass on a verbal message at drop off or email the school office.

We look forward to an enjoyable term!  
Miss Keen & Mrs Walton
