The World In Our Hands

WELCOME BACK

Welcome back, we hope you had a restful Easter Holidays.

This term, our focus will be on 'The World In Our Hands'.

We will be exploring the question:

What is it like to live by the coast?

Maths

To support your child with maths, we ask that you complete the weekly maths workouts that are sent home. This will support their learning and understanding of the 2,5 and 10 times tables.

Spelling

Spellings will be given out each week. Please refer to the spelling folder in your child's book bag. **Spelling Tests take place on the Friday of each week.**

Reading

Reading is still very important, and we aim for children to be heard by an adult as often as we can. All children are heard as frequently as possible. You may see a comment or a stamp in their reading records to show this.

Finally, with the Year 2 camp fast approaching, please can we ask if you have not yet returned your consent form, please pass this to your class teacher.

If you would like to speak with your class teacher, please remember to either pass on a verbal message at drop off or email the school office. We will always endeavour to respond as soon as possible.
