*This is an optional activity that is designed to help engage your child in our current topic whilst they are at home. They are supposed to be enjoyable and completed by the child. Please wait until the exact date to bring to school.*

## Roman Shields

As part of our History learning about the *Romans*, we would like you to design and create your **own Roman shield** (also known as a *scutum*)!

Imagine you are a soldier in the Roman army. What would your shield look like? Roman soldiers often decorated their shields with bold colours, patterns and symbols.

### **Your Task:**

Create your own Roman shield and pretend you are part of the Roman army.

You can:

- Use cardboard, paper, or other materials you have at home
- Paint, colour, collage or add raised details
- Include bold patterns, symbols or your own creative design
- Make it colourful and eye-catching

Be as **creative** as you can!

### **Important Dates:**

- **Set:** Tuesday 24<sup>th</sup> February
- **Due:** Monday 23<sup>rd</sup> March

Your shields will be proudly displayed in class as part of our Roman work showcase. They will be sent home on the **last day of term - Thursday 27th March.**

We can't wait to see your fantastic creations!
