

The World in our Hands

READING FOR PLEASURE
We will be reading **Charlotte's Web**
and **Mr Penguin (Tomb of Doom)**

We will use **Bloom** to create a narrative piece which we innovate with our own ideas. Keeping the story line similar.

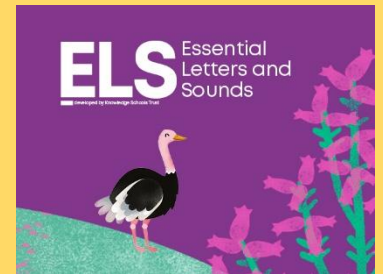

Tetbury

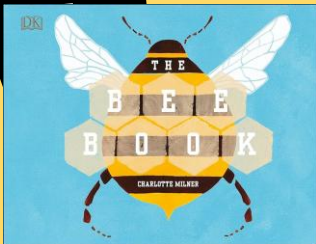

For our poetry unit we will use 'The Seed that Grew the Tree' to create question and answer poems on colours.

The **Bee Book** will act as our fact collector to aid us in writing a report on the importance of bees and their rapid decline, This will inform our readers to how they can help them!

The information from this will help as we write a persuasive letter to the Mayor of Tetbury to enlist his help to make real change.

ELS phonics will be used to support the development and fluency of our reading

We will finally use **The Magic Paintbrush** for our narrative piece to entertain our readers.

Year 3's SUMMER Reading Road
