

Spring Term

WELCOME BACK

Happy New Year! We hope you all had a lovely Christmas break and are looking forward to the exciting term ahead.

During Term 3, we will be learning about mountains as we understand their physical geography and learn about the Alps. We will also investigate the life cycles of plants and animals. Term 4 will see us discovering what it was like during Anglo-Saxon and Viking invasions, including learning about settlements and village life, gods and the rise of Christianity.

We are fortunate enough to have swimming this term. Please remember swimming kit on Wednesdays. Year 5 will be completing their Bikeability assessments during Term 3, and we are excited to welcome back I Sing Pop this term, too. More information will follow.

It is important that your child is continuing to practise rapid recall of times tables by logging on to TTRS alongside their maths homework book, as well as reading every day. Remember to record in your reading journal to collect those stars - one for every two reads!

We look forward to a busy term!
