

WELCOME BACK to the SUMMER TERM

We hope you all had a super Easter break and that you managed to get some relaxing time together.

With this being the final big term of the year, we have plenty to get stuck into - starting with SATs! We will maintain our sharp focus on ensuring children are well-prepared for their tests, whilst maintaining a strong sense of balance across the curriculum. During SATs week, we will be running our highly successful and very tasty 'SATs Breakfast'. This is always enjoyed by the children and is a good time to get together and get nicely woken up before their morning tests! More details will follow.

In Term 5, our topic is 'The World in our Hands.' This is a geography focus and we will be developing fieldwork skills, getting out in our environment. In Term 6, our topic is 'Tetbury'. This is a history focus and we will be learning about the impact of the World Wars on Tetbury and the surrounding area. Please see our Termly Topic Web for further details across all subjects.

Please continue to help your child with reading and homework tasks. During Term 5 we will be having regular spelling checks of all spelling patterns as revision.

Gentle reminder: for a breacktime snack, children should bring extra fruit or vegetables rather than taking something from their lunch box.

This is the last term of the year - indeed, of their time in primary school - so we want to make it a brilliant one.

If you have any questions, please email me via the school office and I will be in touch.

Thank you
Mr Godfrey
