

Spring Term

WELCOME BACK

Welcome back to Term 3. We hope you had a lovely Christmas break and we wish you all a happy new year.

Our Geography focus this term is, 'Where does our food come from?' We will learn about where food is imported from, fair trade with a specific focus on Côte d'Ivoire and cocoa beans. They will explore where the food for their school dinners comes from and the pros and cons of local versus global. Our History focus in term 4 will be the Ancient Greek civilisation and how it has influenced our world day.

We are fortunate enough that Year 5 will complete their Bikeability assessments and Year 4 will have their residential trip to PGL during the Spring Term. Please keep an eye out for further communications about these as more information will follow.

It is important that your child is continuing to practise rapid recall of times tables and mental maths facts as well as reading every day. Remember to record in your reading journal to collect those stars - one for every two reads!

Thank you for your continued support,
Miss Browning and Mrs MacIndoe
