

WELCOME BACK to the SPRING TERM

We hope you all had a super Christmas break. The children have returned with positivity, and we are off to a flying start. With this being the final big term before SATs in May, we will maintain our sharp focus on ensuring children develop the skills and knowledge of a Year 6 reader, writer and mathematician, supporting them on that journey.

In Term 3, our topic is 'The Earth Beneath Our Feet.' This is a geography focus and we will be learning about where our energy comes from as well as discussing climate change. In Term 4, our topic is 'New Horizons - explorers, voyages and invaders and inventors'. This is a history focus and we will be learning about World War II - especially the Battle of Britain, the Blitz and life on the Home Front. Please see our Termly Topic Web for further details across all subjects.

Please help your child to keep up to date with their weekly maths homework and to return it on time every Friday. Please also ensure that they keep **practicing their times tables**. Children must also read regularly, as it is vital that they can access, read and understand a wide variety of texts on different subjects. Spelling tests will continue each Friday.

Gentle reminder: for a breaktime snack, children should bring extra fruit or vegetables rather than taking something from their lunch box.

If you have any questions, please contact me via the school office and I will get back to you.

Thank you for your support,

Mrs Danton
