

Term 3: The Earth Beneath Our Feet

Term 4: New Horizons – Explorers, Voyages, Invaders
and Inventors 

WELCOME BACK

We hope you all had a super Christmas break and that Santa was kind to you all! The children have returned with positivity and we are off to a flying start.

With this being the final big term before SATs in May, we will maintain our sharp focus on ensuring children develop the skills and knowledge of a Year 6 reader, writer and mathematician, supporting them on that journey.

In Term 3, our topic is 'The Earth Beneath Our Feet.' This is a geography focus and we will be learning about where our energy comes from as well as discussing climate change. In Term 4, our topic is 'New Horizons - explorers, voyages and invaders and inventors'. This is a history focus and we will be learning about World War II - especially the Blitz, the role of women and life on the Home Front. Please see out Termly Topic Web for further details across all subjects.

Please help your child to keep practicing their times tables. Children must also read regularly, as it is vital that they can access, read and understand a wide variety of texts on different subjects. Spelling tests will continue each Friday. We thank you in advance for your ongoing support with tables, reading, spelling and homework tasks generally.

MRS KIRK

Routines

Physical Education

P.E. will take place on
Wednesday morning and
Monday afternoon.
Please ensure your child
has PE kit in school.

Class Book

Goodnight Mr Tom
By Michelle Magorian

Reading

Your child will read a
variety of texts in these
lessons. We will also hear
your child read on an
individual basis each week
where possible.

Reading at home

Please continue to listen to
your child read **AT LEAST**
3 times a week. It is
important that your child
continues to read aloud to
an adult to develop their
expression and fluency.

General Reminders

Please continue to ensure
your child wears the
correct uniform.
