

## THE WORLD IN OUR HANDS

Understanding the fragility of our world and know we have a responsibility to protect it for the future.

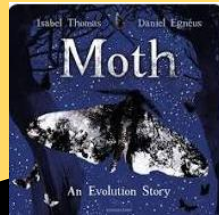

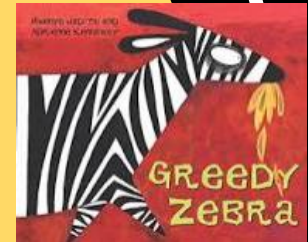

### READING FOR PLEASURE

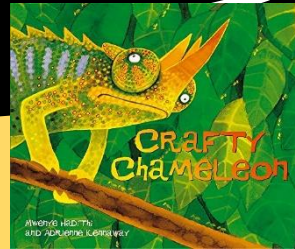

We will read King of Nothing. This book will be shared, discussed and used in guided reading lessons.

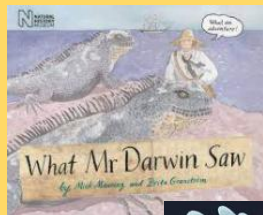

Just So Stories, Greedy Zebra and Crafty Chameleon are our core texts. They will provide stimulus for our narrative writing unit. Macbeth will be read and discussed and will form the stimulus for writing too – especially diary entries.

These texts will help us achieve our outcomes in the wider environment-learning about Evolution in Science.

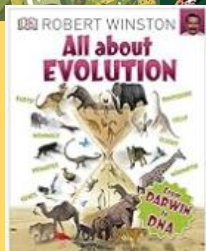

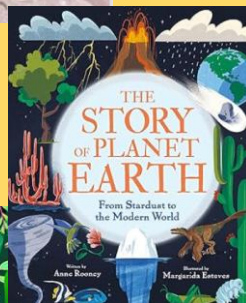

Who was Charles Darwin? We will support our learning in Science and the wider curriculum to research people who have made amazing discoveries and shown enormous **courage and curiosity**.

A **caring**, **curious** and **courageous** curriculum.

## Year 6's SUMMER Reading Road

Year 6 will read, enjoy and recite a variety of poems about the beauty of the world illustrating where people have shown great **curiosity** and **care** towards our planet.
