

A whole school text that will be shared during the first week of term about resilience.

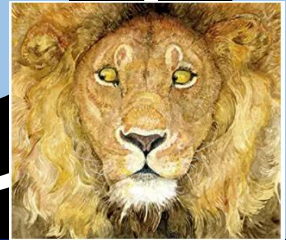

READING FOR PLEASURE
We will enjoy reading **Secrets of a Sun King** by the popular author, Emma Carroll. This is our class reader, linking perfectly to our topic.

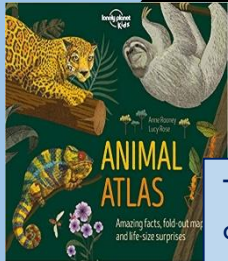

The Egyptian Cinderella by Shirley Climo will provide us with stimuli for our narrative writing unit and will be used in guided-reading.

These books will provide stimulus for our Geography learning about South America and the Amazon Rainforest.

The Lion and The Mouse by Jerry Pinkney... A stunning, wordless version of one of Aesop's best-loved fables offering huge scope to help us retell the fable.

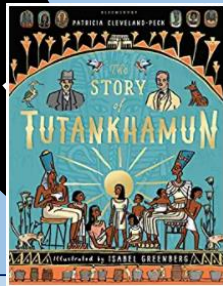

This text will help us achieve our outcomes in the wider curriculum – understanding and describing key features of rainforests and locating the continents of the world.

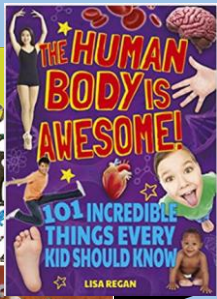

Year 4's AUTUMN Reading Road

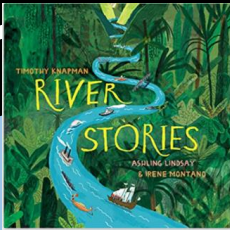

A caring, curious and courageous curriculum.

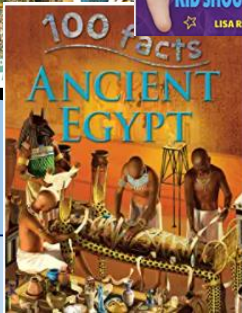

The Story of Tutankhamun by Patricia Cleveland-Peck will help us with our non-fiction writing and study of the Egyptians.

Reading for pleasure... **River Stories** explores the sights and stories of the world's five greatest rivers, including the River Amazon.

These are some of the other non-fiction texts which will enrich our History and Science learning.

Year 4 will read, enjoy and perform a variety of poems this term.
