

ST MARY'S CHURCH OF ENGLAND PRIMARY SCHOOL

OPEN MORNING – 09.30 WEDNESDAY 16th OCTOBER 2019.

Dear Parents,

As a parent of a child due to start school next year, you will be about to make one of the most important decisions for your son or daughter – which school?

It is vital that you feel informed about what your local school can offer you and whether this is the right setting for your child. We are keen to help you with this process and we would like to invite you to our Open Morning on Wednesday 16th October to talk you through life at St. Mary's and show you some of the exciting things children get up to here.

Interested parents should arrive at the school at 9.30am when they can listen to a presentation from myself, Headteacher, and meet other key staff. Parents can then have a tour of the school led by our Year 6 children and accompanied by a Governor or member of staff. You will be able to see the children in their classrooms and explore the learning environment. It is an informal morning and there will be plenty of opportunity for you to ask questions and get a feel for St. Mary's.

Our PTFA will be serving refreshments and there will even be a chance to sample some of the food we offer for school lunches.

If you have any questions about the Open Morning please do not hesitate to contact Mrs Howe or Mrs Glover in the school office on 01666 502275 or via admin@st-marys-tetbury.gloucs.sch.uk

The Governors, staff, parents and pupils look forward to welcoming you on 16th October – in the meantime if you are interested in finding out more about life at St. Mary's – please visit our school website www.stmarystetbury.com

Yours sincerely
