

Spring Term 1 and 2

Welcome back, it's fantastic to see everyone again after the Christmas break! All the children are keen to start their learning for the new term!

This term we will be exploring volcanoes and answering the question 'Why do people live near volcanoes?' In Term 2 we will be delving into the Romans and exploring all the fascinating facts around them.

Please look at our website, it has lots of information for new and current parents. Take some time to read about Life in Year 3 including the Year 3 'optional' homework.

We will use Seesaw to send any messages and also to celebrate the children's work. Please let us know if you have any problems logging onto Seesaw.

If you have any concerns or questions, please do not hesitate to contact one of us when you see us or email the school office who will then pass on a message.

Best wishes,

Mrs Bish, Mrs MacIndoe and Mrs Royle
