

21st January 2020

Dear Parent / Guardian

This term our school will be involved in a national project to update a package for helping children with developmental language difficulties in primary schools. The project needs many thousands of children with the full range of different levels of language development.

Your child's class has been selected to take part in the project. Each child will sit with a Teaching Assistant and point at some cartoon pictures that are being described on a computer. This will take around 15 minutes. A small number of children will repeat this process after a two-week period.

We have been asked by the project coordinators to collect some additional information about each child. This will not be shared with anyone outside the project or retained beyond the end of the project.

The attached form explains why this information is needed. If you are happy for your child to take part, please complete both sides of the permission slip and return it to your child's class teacher.

Thank you for your support

Mrs Pike and Miss Selwood
