

19th June 2020

Dear Parents,

Life at school

We have had no suspected or confirmed cases of Covid-19 and everyone is continuing to follow the guidelines for social distancing, hand cleaning, respiratory hygiene and cleaning. Social distancing between children and between children and adults is difficult but we are taking a sensible approach. The children are enjoying being in school and we now have on average 120 pupils in school in 10 'bubbles'.

Children who are cycling or scootering to school need to be wearing helmets please.

Remote Learning

Those children who have not been able to attend school yet should receive their invitation soon to a class picnic. We are looking forward to seeing the children back in school even if it is only for an hour.

Future Plans

Today, the government have announced that there will be a £1 billion catch up tutoring fund available for schools in September. Clearly all schools will welcome this funding however I will be waiting to receive more details on how much this will be for the children of St. Mary's and what it will enable us to do.

I hope you have a good weekend.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Mrs Woolley', is placed over a faint, light-colored signature stamp.

Mrs J Woolley (Headteacher)
