

Update for parents: 7

Friday 16th October 2020

Dear Parents,

New parents meetings

Mrs Pike and I are holding new parents meetings on Microsoft Teams over the next few weeks. These virtual meetings are essentially for parents who are currently making the decision about primary schools for their four year olds in September. If you know of anyone who might be interested in attending one of these meetings - please can you spread the word. Prospective parents should contact the school office for further information.

Parents' evenings

We will be holding parents' evening after half term. Parents will have a 'virtual' appointment with their child's class teacher. Further details about booking and accessing these meetings will be sent out next week.

Results of COVID tests

If your child has been off school awaiting the results of a COVID test please could we ask parents to ring or email the school office to let us know the result as soon as possible. Thank you.

Lunches

All children will be eating their packed lunches in the school hall rather than the classrooms from next week. There has been a lot of planning going on behind the scenes to make this work and we hope it might bring us a step closer to re-introducing some form of hot meal in the near future.

Traffic

I am aware that the traffic outside school is particularly bad at the moment because of the road closures in Tetbury. It seems St. Mary's Road is being used as a cut through which is increasing the amount of cars, buses and lorries outside school during drop off and pick up. Please take extra care when dropping off and picking up. Thank you.

Yours sincerely

Mrs J Woolley

Headteacher
