Y6 visit to Wycliffe College (STEM)

Dear Parents,

On **Tuesday 15th October, Year 6** will be attending a STEM day at **Wycliffe College in Stonehouse**. The day has a STEM (science, technology, engineering and maths) focus and will be jam packed with amazing opportunities including lectures and workshops.

This is an excellent chance for the children to experience these subjects in such a well-resourced environment. We have been given the opportunity to take all of the children without charge. However, we will be asking for a voluntary contribution of **£7.18** towards the cost of transport to and from Wycliffe College.

We will leave by coach before the start of the school day so children will need to arrive at school by **8.15am**. We will return slightly later than the normal finish to the school day and anticipate returning to school by **4.00pm**.

Children will need to bring a packed lunch and drink and wear their school uniform. Packed lunches will be provided for those who receive a free school meal please indicate below ham, cheese, tuna or egg.

Please return the reply slip below by **Monday 30th September 2019**.

Yours sincerely,

The Year 6 team
