Young Voices

Dear Y5 and Y6

Young Voices is back! Our concert date is Wednesday 26th January 2022 at The Genting Arena, Birmingham.

'Young Voices' is the world's largest children's choir and I am excited to be in charge of taking our choir again, ably assisted this year by Miss Beckett. Over six thousand children from schools in the Southwest will sing together and have the wonderful opportunity to watch professional musicians, conductors and dancers in action. It is an amazing experience for the children and one they will remember for many years.

The children's commitment to Young Voices is to learn all of the songs, and to attend rehearsals in the school hall every Thursday after school (3.15-4.15pm). PLEASE ENCOURAGE YOUR CHILD TO LEARN THE SONGS – AND THE LYRICS as we are not allowed to use song sheets during the concert.

The songs are available on the free 'Spotify' app - Search for 'Young Voices UK celebrating 25 years'. The children also have access to the 'Music room' on the Young Voices website <https://www.youngvoices.co.uk/> . Click on 'for children' from the 'Menu' then the arrow and enter the 'Music Room'. Type in the passcode YV2021 when prompted to do so.

The lyric videos and dance videos (with Andy!) are also available on the Young Voices website.

More information will follow next week about parent's tickets for the concert, parent's coach arrangements and t-shirt orders!

Happy singing!

Mrs Pike and Miss Beckett
