

Update for parents: 11

Friday 20th November 2020

Dear Parents,

Flu Immunisation - important information action required

This year's flu immunisation programme will take place for all years on Monday 30TH November, Tuesday 1st December and Wednesday 2nd December. We have today had an update from the Immunisation team, if you have already had your child immunised this year, please can you email the school office with this information asap with your child's name, class and confirmation that your child has already been immunised. If you have previously told the office, **please email with this information again** to clarify in writing, as well as declining on the online NHS immunisation portal.

If you have not already confirmed or declined, it is really important that you do so as soon as possible, as the portal will be closing very soon. This will eliminate any delays regarding administering the vaccine on the days of immunisation.

The link for the consent form is: <https://immsconsentforms.glos-care.nhs.uk/GCSFluVac/FluConsent>

If you look for the following school on the drop down list:

A screenshot of a web form showing a dropdown menu for school selection. The text above the menu reads 'Please select your child's school name from the drop-list.' The dropdown menu is labeled 'School name:' and currently displays 'St Mary's Church of England VA Primary School'.

Key Stage 1 playground

Thanks to a successful Tesco's bid and funds raised by our wonderful PTFA we have had some colourful and exciting playground markings painted on the KS1 playground this week. The children have really enjoyed playing on them today – it has made playtime very exciting!

Children in Need

Thank you to everyone who contributed towards the Children in need fundraising last week.
The school raised a grand total of £361!
