

## What is it like here?

Welcome to year 1! We hope you had a lovely summer holiday.

Our focus for this term is 'What is it like here?' In Geography, we will be learning about the UK and in Science, we will be thinking about the four seasons and their associated changes.

The main texts that we will be reading are: 'How To Be A Lion' by Ed Vere and 'The Three Little Pigs'.

You will find more details of the children's leaning on the topic web and knowledge organizers which are also posted on the 'Comms' page of the school website.

### Homework

We will change reading books once a week. The change day is a FRIDAY for everyone. Children will be getting one decodable book based on their phonics learning, as well as a reading for pleasure text. Please listen to your child read AT LEAST 4 times a week. You will also have spellings set based on your child's phonics group. For maths, please complete one workout per week. These will be collected in on a Friday morning.

### Lunchboxes

If your child is bringing in a lunch box, please ensure that it is named and that there are **no nuts** due to allergies within the class.

If you have any questions or queries please communicate with us through Seesaw or via the school office.

Thank you,

**Miss Beckett**

### Routines

#### Physical Education

Wednesday is our PE day. If the weather allows we will be outside. Your child may need a jumper and joggers.

#### Forest School

We don't have forest school this term.

#### Seesaw

You can use this app to communicate with us. We check it every few days. We will send information and share some of the children's experiences with you and you can send in photos of your child's special events or experiences to share with the class.

#### General Reminders

Please make sure that your child has a **named** water bottle and jumper in school. As the weather is getting worse please make sure that your child has a coat and wellies as well.
