

English

During this term, we will be refining and improving writing techniques, ensuring that our accuracy clearly reflects the standards expected of Year Six children. We will be inspired by a range of texts, including some linked to our History and Geography. Spelling lessons will continue each week and we will enjoy reading our class book as well as sharing texts in Guided Reading. Please continue to support your children by encouraging them to read frequently.

Maths

In maths lessons, we will develop our knowledge of decimals and percentages, as well as our understanding of ratio, area, perimeter and volume. We will work on speeding up our arithmetic skills through Early Bird Maths sessions each morning.

In preparation for SATs in the summer term, we will also work on applying our knowledge to solving a wide range of problems.

Science

The Big Question: What is our Circulatory System and how does it work? During Term 3, we will learn about the heart, blood vessels and lungs and how they work together as our circulatory system.

The Big Question: How does light travel? During Term 4, we will learn about how light travels and how we see. We will investigate how light is reflected as well as how to change the size and shape of shadows.

Geography

Where does our energy come from?

In Term 3, we will look at renewable and non-renewable energy, where it comes from and how it gets to us. We will consider the benefits and drawbacks of different energy sources.

Spring

Year 6 2023

History

20th Century Conflict: Was World War Two all about the Blitz?

In term 4, we will learn about World War 2, in particular the significance of The Blitz and life on the Home Front. We will also learn about the effect the war had on the role of women in society.

Computing

As part of our Online Safety learning, we will look at our 'digital footprint' and what information we can share. We will also develop our use of spreadsheets.

PE

Weekly PE lessons will focus on skills and strategies necessary for small team games.

DT

In Term 3, we will be designing and making a range of playground equipment using a range of resources.

Music

Term 3: How does music improve our world?

We will be enjoying the genre of 'disco', through singing and instrument playing.

PSHE

Term 3: Dreams and Goals - looking to the future

Term 4: Healthy Me - taking responsibility for healthy decisions

RE

Term 3: Hinduism: **Why do Hindus want to be good?**

Term 4: Salvation: **What do Christians believe Jesus did to 'save' people?**

Art

Activism

In Term 4, we will explore how artists use their skills to speak on behalf of communities.
