

Maths We will continue to follow the 'White Rose' maths scheme by exploring numbers 0-10. We will perfect our subitising skills and represent numbers in different ways. We will compare length, height and time and explore 3D shapes. We will continue to use songs and actions to count forwards and backwards to 20.

Religious Education

This term we are learning all about why God is special and the significance of Easter. This will include 'Creation', 'new life' and what happens at the end of Winter and the beginning of Spring. Our Christian value this term is 'Curiosity' which links to our school 3Cs.

Literacy

We will be further developing our reading and writing skills through Essential Letter and Sounds lessons each day. We will use core texts 'Supertato' and 'Max' to investigate plot, setting, character descriptions and to sequence events in order to retell the stories.

Communication & Language

The children will be listening a wide range of stories, sequencing events and retelling stories. We will continue to practice our listening skills and focus on taking turns in a conversation.

Spring

Understanding the World

We will be looking closely at our environment and carrying out careful, observational drawings. We will explore how our environment has changed as we move from Winter to Spring. We will be learning about real life 'Superheroes' and how they help us and will have visits from of them.

Personal, Social, Emotional Development

Our topics are "Dreams and Goals" and "Healthy Me". We will be learning all about persevering, setting goals. This will include some tricky challenges and understanding how we feel about them. We will also learn about ways to stay fit and healthy, including hand hygiene, sleep, healthy amounts of screen time and stranger danger.

Expressive Art and Design

This term we will be drawing people who help us and creating our own still life paintings of plants in our environment. We will create our own veggie superheroes using Supertato as our inspiration! The children will create their own superhero alter-ego and make a tshirt, displaying their own logo they have designed! We will continue to enjoy listening to music, singing songs and engaging in role play.

Physical Development

Children will continue to develop their fine motor skills in free flow rainbow Challenge activities and through specific handwriting letter and pattern practice during our 'pen discos'. In PE we will be improving our coordination skills using the Getset4PE scheme. We will focus on being healthy, physical exercise, a healthy diet and talking about ways to keep safe.
