Take One Picture

Welcome back year 1! We hope you enjoyed the break and are feeling ready for term 2.

Our focus for this term is **Take One Picture**, we will be looking at an artifact, which will create discussion and help us investigate the following question: 'How have toys and games changed?'

In maths, we will be focusing on developing our addition and subtraction skills.

Reading is still very important and we aim for children to be heard by an adult as often as we can. All children are heard read five times a week in their phonics groups. You may see a comment or a stamp in their reading record to show this.

You will find more details of the children's leaning on the topic web and knowledge organizers which are also posted on the 'Comms' page of the school website.

If you have any questions or queries please communicate with us through Seesaw or via the school office.

Thank you,

Miss Beckett and Miss Leake

General Reminders

Please make sure that your child has a named water bottle and jumper in school. As the weather is getting worse please make sure that your child has a coat and wellies every day as well.

Reading at home:

We will continue to change reading books once a week. Your child's change day is on a label on the front of their reading record. Please try and listen to your child read AT LEAST 3 times a week. Remember for every 2 times your child reads with an adult at home they receive a reading star, which is worth 10 house points.

Please continue to complete the weekly workouts. We will collect them in and mark them on a Friday.
