# Summer Term

## WELCOME BACK

We hope you all had a lovely Easter break and are looking forward to the exciting term ahead. We are very excited to welcome Mrs Makin to Ash class this term!

During Term 5, our geography learning will be focused on the oceans. We will be thinking about the importance of the world's oceans as well as how they are suffering and what we can do to help protect them. Term 6 will see our focus return closer to home as we discover Tetbury. We will visit the Police Museum before finding out about Victorian crime and punishment (when the museum was a working Station, Gaol and Court).

This term, we are lucky enough to have a specialist coach teaching us rugby skills on Mondays whilst also having athletics lessons (in preparation for sports day!) on Thursdays. It is vital that everyone has a full PE kit, appropriate for outside, in school so they can take part in these exciting opportunities.

It is important that your child is continuing to practise rapid recall of times tables and mental maths facts as well as reading every day. Remember to record in your reading journal to collect those stars - one for every two reads!

If you have any worries or questions please email the school office and we will contact you as soon as we can.

We look forward to a very busy term!
