

Year 3 – Homework

Terms 3 and 4

2024-25

These optional activities are designed to help engage your child in our current topic whilst they are at home. They are supposed to be enjoyable and completed by the child. Please wait until the exact date to bring to school.

Active Volcanoes!

We would love you to create a functioning volcano as part of our Geography unit of learning. You can use whatever materials you like to create your masterpiece.

Due – Wednesday 5th February 2025

Roman Shields

As part of our History learning on 'The Romans', have a go at creating your own shield and pretend you are part of the Roman army.

Due – Wednesday 12th March 2025

Skeletons

As part of our Spring Science unit, research and make a model of a human skeleton. This can be made from anything, but the link below has a great idea with objects found at home.
