

Maths

We will continue to follow the White Rose maths scheme. We will be working on numbers within 5, numbers within these numbers and the number of sides on 2D shapes. We will continue our understanding of number through 'Numberblocks' and will also experiment with times of the day.

Literacy

We will continue to learn and revise 'Set 1' sounds from our phonics scheme, blending and segmenting them to read and write words. Children will be encouraged to use their phonic knowledge to write words, and to think about using the sounds we know in their writing. The children will be writing letters to Santa and creating story maps this term.

Communication & Language

We will encourage good listening skills through games and activities. Children will engage in role play in literacy lessons and in their free play. There will be many opportunities for discussions and to learn new vocabulary.

Religious Education

Our Christian Value is Caring. We will be learning about Advent and Christmas, listening to the story of Jesus' birth. Our Christmas Nativity play will help us to remember the story and bring it to life!

It's Party Time!

Personal, Social, Emotional Development

This term we focus on 'Celebrating Difference', discussing how to include others, what to do if someone is being bullied, giving and receiving compliments. We will also be engaged in 'Anti-bullying Week' activities.

EYFS Term 2

Understanding the World

We will learn about the World during our weekly welly walks when we observe the seasonal changes to the environment. We will be learning about India when we study the celebration of Diwali. We will talk about the past and learn about Guy Fawkes and remember the soldiers in the war.

Expressive Art and Design

The children will be given opportunities to engage in many different craft activities related to our topics – coloured rice patterns, firework art work, poppy pictures. These activities will use a range of techniques. This term we will also be learning lots of new songs as we prepare for our Christmas Productions which we will perform in the hall.

Physical Development

The children will continue to develop their fine motor skills through our 'Funky Fingers' sessions. In PE lessons the children will develop basic skills such as static balance and floor work. We will be practicing these skills then applying them in fun songs, dances and games using our PE scheme.
