TERM 2

2019-2020

YEAR ONE

A Dragon's Dilemma

I hope you had a relaxing half term break and are now looking forward to the Christmas build up!

This term we will be continuing with 'A Dragon's Dilemma' topic. We will be studying dragons, this term focusing on Art and Design Technology, making models and collages. We will be learning about castles through a range of fiction and non-fiction texts.

The children will be encouraged to research castles using non-fiction texts, and to report their findings.

As always, our door is always open if you have any worries or just want to ask us a question.

Mrs Pike, Mrs Wilmott and Mrs Freeman 😊

Our Christian Value this term is **"Trust"** Psalm 31:14

But I trust in you, LORD; I say, "You are my God."

We would like to reinforce the importance of your support with your child's education at home. Please listen to your child read every day and complete any homework sent home. We will be planning specific tasks for the Year One children in lessons and we will keep you informed of any activities that your child has struggled with, and would benefit from revisiting with you.
