

# Where on Earth?

Knowledge Organiser **Geography** Term 1  
Year 1

What is a knowledge organiser?

This is a document for you and your child to share over the course of the coming term. On this page you will find some key words, themes and questions for the children to explore. This should serve to enhance their in class learning.

## Key Vocabulary:

Seasons

There are four seasons each year, **autumn**, **winter**, spring and summer.

Weather

The weather includes the **temperature** outside, the **wind** direction and strength, as well as **rain**, **cloud** and **sun**.

Continent

A large solid area of land there are 7 of them on earth.

Ocean

A huge body of salt water. There are 5 oceans on earth

### Seasonal Changes

There are changes in weather in each **season**. In spring, it is often rainy and the **temperature** begins to get warmer.

In summer, the sun is much stronger. The **temperature** is warmer than in any other **season**.

In the autumn, the weather turns chillier, windier and there is often rain.

In the winter, it is often cold and frosty. It has to be freezing cold to snow.

### How the Weather Affects Us

The weather **affects** what we do and what we wear. If it is rainy, we wear **waterproof** clothes when we go outside.

If it is hot, we need to wear sun cream and a sun hat.

### Key questions

What are the 7 continents from biggest to smallest?

Can you name an animal that lives on each continent?

Which continent do we live on?
