

Term 3

How could I make a difference?

This term our class reading book is called 'Lottie Saves the Bees', by Heather B. Moon. It is a fictional adventure story exploring how one person can make a difference to a real-world problem.

We are continuing to focus on our reading this term, and it would be lovely to hear what books you are enjoying at home. Could you have a go at writing a mini book review about your favourite book?

As always if you have any questions send us a message on seesaw.

Thank you.
